Marina Juniors Annual Penny Art Display

Juniors will honor their mothers and Seniors of Marina District, CFWC, at their February meeting to be held at Pacific Palisades Woman's Clubhouse, 901 Haverford St., Pacific Palisades, Monday, February 24th at 8:00 p.m.

There will be two outstanding portions of the evening's program. This is the annual district Penny Art Display where members will compete for awards in fine arts. Mrs. John Moore is District Penny Art Chairman.

Both Juniors and Seniors have been busy at their sewing machines recently making their interpretation of what a well-dressed club woman would wear. They have entered the Vogue Sewing contest. Winners from each of the clubs in the district will present a fashion show Monday night and a junior and senior costume, judged best from this group, will then compete on a state level.

The hostess club, Pacific Palisades Juniors, will serve refreshments.

American Spirit

The American Spirit Honor Medal has been presented to Airman 3-c William A. Murrell, son of Mr. and Mrs. Gwilym Murrell, of 1502 W. 226th St.

The presentation was made for display of outstanding qualities of leadership best expressing the American spirit by the Citizen Committee for Inc. the Army, Navy and Air Force. Murrell, a graduate of Narbonne High School where he was a football team guard, is stationed at Lowry Air Force Base, Colo.

Pot Luck at Playground

The Slim and Trim class at Normandale Playground will have a pot luck luncheon Wednesday February 19 at 11:30 a.m. immediately following the exercise class which begins at 10:30 a.m.

Each person attending should bring her own table setting and her favorite pot luck dish. All women are welcome to attend.

The Dentist Says:

By DR. ERNEST J. TARR
**Reducing
Nervousness
During Visit**

"I need many teeth pulled, but I'm very nervous at a Dental office. What can be done about this? Asks Mrs. B. F. of Torrance."

Modern American Dentistry has made great progress in recent years to ease Dental pain and reduce nervousness during dental procedures. Here are several methods to choose from:

1. Prior to any dental work the patient is given tablets that tend to relax and reduce fears. This works well for those who are mildly nervous.

2. For those more nervous, the patient can be put to sleep by either Sodium Penthol or Sodium Seconal. In our office there is no extra charge for extractions with either Novocine or Sodium Penthol or Sodium Seconal.

3. If the patient has hospitalization insurance either through employment or Blue Cross or C.P.S. then the extractions can be done at the local hospital with Sodium Penthol and the patient can stay in the hospital a day or two. The cost is usually paid by the insurance.

One of these methods usually suits those who are mildly nervous to those severely nervous. Feel free to discuss your problem in detail at our office at any time in the near future. No appointment necessary. Open every evening and all Day Saturday.

**EASY CREDIT
FOR OUT-OF-
STATE PATIENT**

"I'm from out of state, can I get Credit for the Dental care I need?" Asks Mr. G. L. P. of Gardena.

Yes. We welcome out of State patients and extend them liberal Credit terms.

When a patient comes in our office we make an examination of their teeth and give them an exact estimate of what the cost will be.

Credit terms can be arranged to fill ever type of need. No down payment is necessary. As long as 18 months to pay. Six weeks before a payment is necessary, also all the family can have their teeth fixed and pay one small monthly payment.

We also have a good Credit plan for those who don't have Credit established at all.

We also welcome Pensioners in our office and make arrangements for the State to pay most of their necessary Dental bill.

Our office will make every effort to solve your Credit Problem. No appointment necessary. Open every evening and all day Saturday.

Letters to the Editor

EDITOR
Torrance Press:

This letter may seem odd but it is meant sincerely. Having moved to Torrance last September, and living in a rather undeveloped rural area, there has been very little opportunity to meet people. My question to you is this; can you tell me how to locate some group of young women (I'm 31) preferably mothers of a number of children (I have 6 boys) who have a sewing group, or something on that order. Being a homemaker is wonderful, but a normal person desires the company of others, and an interest away from the usual.

Also can you tell me when and if there is a series of lectures on interesting up-to-the-minute topics given anywhere locally?

Having read the local paper (Torrance Press), thought I'd drop a note and see if you might be able to give me some information on this matter. My sincere thanks for your time.

Dear Editor:

I am a student at South High School. My Freshman Problem class was doing a project on Torrance and its industries and I chose the Torrance Airport.

I wrote the airport requesting information and pamphlets descriptive of the airport. I waited for three weeks but received no reply. I consider this unbusinesslike for such a large and important corporation, who are even unwilling to assist a student on a report. I am receiving an "F"

'Friendship' Tour To Mexico Planned

March 18 is the deadline set by the sponsoring Torrance Chamber of Commerce for reservations for the "Friendship Tour to Mexico April 18-19 to April 26-27.

The nine-day tour will feature receptions from civic leaders, in addition to a full itinerary of tours, meals and excursions. Points of interest include Mexico City, Acapulco, Taxco, Cuernavaca, Chapultepec Park, Xochimilco, University City, the Pyramids, Palace of Fine Arts, and others.

Chairman J. H. Paget said reservations are going fast, and advised interested parties to call the Chamber office (FA. 8-2814) for information or free brochures of the town.

merely because of their lack of courtesy in replying to my letter. Signed
